SCORE PREDICTION

What is your prediction for the halftime score? How far off were you?

	Score Prediction	Actual Score End of 2 nd Qtr	Difference = Score Prediction - Actual Score
Mavericks			
Opponent			

SHOT TALLY

During the first half of the game only, make tally marks for the total number of 3-point shots and free throws made and missed by the Mavericks. At the end of the first half, calculate the shot percentage.

Mavericks 3 Pointers

Made	Missed	Shot % = Made / (Made + Missed) x 100
TOTAL =	TOTAL =	% Made =

Mavericks Free Throws

Made	Missed	Shot % = Made / (Made + Missed) x 100
TOTAL =	TOTAL =	% Made =
